### **Scheduling and Free Consultations**

You may request or schedule a free consultation via phone call, text message, or video call to (904) 893-1644 OR on our website [www.cutlerclean.com](http://www.cutlerclean.com). The consultation is required to give a quote due to the necessity to visually see and measure what will be cleaned in order to determine the amount of time and effort the project may require. Both Cutler Cleaning and the Client must agree on and approve an itemized/detailed list (in writing) that lays out all cleaning

tasks that are requested and agreed upon. The price quoted is still a quote until the project is complete. The price can go down or up depending on the time it takes to complete your cleaning project. A maximum price cap will be listed on the estimate form so you have peace of mind knowing the cost will not exceed that set amount.

## **Cleaning Day**

Client will be provided a window of arrival to expect their cleaner. Once parked, it typically takes 45 minutes to an hour to unload supplies, bring them inside, and assemble equipment. Please keep this in mind when choosing appointment times. If the client wishes to add more services at the time of the appointment, cleaners will do their best to get it done, but may need to schedule another day to complete additional tasks.

## **Client Expectations**

1. Please remove items from surfaces or areas you want cleaned. We'd love to do this for you, but it limits time available for actual cleaning tasks. 2. Client must approve extra time or additional services before cleaners continue. If cleaning takes more than the maximum time, an hourly fee of \$30 applies going forward. 3. Please secure all valuables, prescriptions, and weapons in a place cleaners won't come into contact with them. For safety and liability purposes, this is mandatory. We will not be held liable for any damaged or misplaced valuables.

## **Payment Policies**

Payments are due within 5 days of the invoice being issued. We do not typically enforce deposits or cancellation fees, but communication is key—let us know if scheduling changes arise. We accept payments via QuickBooks invoices sent to your email (ACH, debit/credit card, CashApp, PayPal, or Venmo). Alternate methods may be accepted if discussed and approved in writing.

## **Certifications and Licensing**

Cutler Cleaning Specialists are bonded and insured with General Liability Insurance through Hiscox Inc. We are an LLC registered in the state of Florida and hold a valid business tax receipt.
